Halloween Creative Writing

Due to the overwhelming number of entries we received, this one is going to take another week to announce!

We want to make sure we read them all properly and judge them appropriately.

Stay tuned!

CRACK THE GUNPOWDER PLOT

COMPETITION

Think you've got what it takes to outsmart history's most notorious plotters? We're challenging students to put their detective skills, logical thinking and problem-solving abilities to the test in our Gunpowder Plot Code-Breaking Competition!

You'll be sent a series of classified files containing encrypted messages, hidden clues and puzzles that you'll need to decipher to uncover the secrets behind the plot.

Work your way through each file, piece together the evidence and see if you can crack the codes. Every student who successfully solves the competition will earn 20 House Points, but there's an even bigger reward up for grabs: the first student to crack all the codes and submit the correct answers will win a special mystery prize!

So, get your thinking caps on, pay attention to the clues and prepare to put your brain to the test. The clock is ticking... can you crack the code?

Competition will be emailed to all students during lunch. You have two weeks.
