24th January 2024

Dear Parent/Carer,

University of Chester – Destination and pathways to HE – 1st May 2024.

In preparation for the next stages of your child’s further education or training, we are offering all students in year 10 the opportunity to visit a university and/or an apprenticeship organisation to help inform their choices through transition.

These visits are designed to give students a taste of university/apprenticeship life, to give information about the next stages of their learning, to talk to students in further and higher education and to find out about pathways and entry requirements for courses.

We would like to invite your child to attend a trip to the University of Chester on 1st May 2024. Students should wear school uniform and arrive in school at the normal time ready for us to register and leave at 9.00 a.m. The visit will include a tour of the university, so students should wear a waterproof coat as we are likely to be outside for an hour. We will return to school by 2.55 p.m.

The visit is free and lunch will be provided.

We do hope that your child takes this opportunity to extend their knowledge and understanding of further and higher education.

We have added this trip to your child’s Arbor account. Please can you give consent through Arbor for your child to attend.

Kind regards

A Milnes

Mrs Milnes

Principal: Mrs Janine McCann BA Med NPQEL
