Kick-start your future in football and sport

The Manchester College and FC United have teamed up to offer a two-year **Level 3 Sport and Physical Activity** course for young people aged 16-19 who want to progress into semi-pro/professional football, sports coaching, sports science and fitness, sport analysis.

What the course includes

Delivered by The Manchester College at Broadhurst Park, you'll learn:

- Sports coaching and athlete development
- Exercise, health and lifestyle modules
- Fitness testing and training programme design
- Coaching special populations
- Career preparation in the sports industry
- Trips, visits and guest speakers from professional sport
- The opportunity to train with and analyse the FC United of Manchester First Team
- Specialist football training led by Adam Le Fondre.

A full Level 3 qualification with UCAS points ideal for progressing into university or the sports industry.
