

29<sup>th</sup> September 2023

Dear Parent/Carer

We wish to take this opportunity to congratulate Year 11 on a strong start to their final year at Stockport Academy. Students so far have demonstrated a real ambition to succeed in Year 11 and beyond and have approached Year 11 with diligence and commitment in most cases. We are really looking forward to working with them and yourselves to ensure that they fulfil their potential throughout this academic year.

### Independent Study:

Independent study is a vital aid to ensure progress and ultimate success. It is proven that students that complete their homework are much more likely to succeed and be more confident in the approach to exams. Students who fail to complete homework in any subject will do so in lunchtime detention with Mr Hargreaves and Mr Farnworth until this is complete. We are happy to support students who may need any resources to assist them in completing independent study to a high standard, students should see Ms Bickerton if there is anything that they require.

### Revision Guides:

Stockport Academy have invested significantly in aids to revision for all Year 11 students. Students are now to collect revision guides from our conference room at 3.45pm each day at no charge, we simply ask that students utilise this opportunity and return any loaned items at the end of the academic year, we are happy for students to write in them should this be helpful.

In addition we have a number of online learning platforms for students to access free of charge to support them including:

Language Nut  
Sparx Maths  
Pearson Revise  
Seneca

A number of students have been identified for additional intervention which subject specialists have deemed necessary for students to develop required skills or knowledge - attendance to such sessions is compulsory, further details will follow if this applies.

**Attendance:**

Attendance at school is vital, especially in Year 11, it is statistically proven that lesser attendance at school results in underperformance and students failing to meet standards to access further courses or apprenticeships.

Year 11 is the opportunity that students have to be fully supported by our excellent staff and teams to ensure that we can enable them the best opportunities for the future.

We would like to thank you for your support in relation to the above and look forward to working with you.

Further details will follow shortly regarding upcoming our Y11 Parents Information Evening and mock exams.

Many thanks for your continued support.

Year 11 team

Mrs McCann, Mr Walker, Ms Appleby, Mr Hargreaves and Ms Bickerton
