Dear Parents and Carers,

At Stockport Academy, we believe education is about so much more than academic success. Every year, we provide an extensive range of opportunities designed to help our young people develop the character, confidence, resilience and leadership skills they need to flourish both in school and beyond. These opportunities form a key part of our commitment to helping every child become the very best version of themselves.

Throughout the academic year, students have access to a wealth of character-building experiences, including:

- Student leadership opportunities and ambassador roles
- House competitions and events
- Educational visits and enrichment trips
- Duke of Edinburgh Award
- Community and social action projects
- Future Me Days and PSHE experiences
- Co-curricular clubs and activities
- Enterprise and Young Enterprise projects
- Student Council opportunities
- Positive Peer Mentors and leadership programmes
- Work of the Week celebrations
- Character Passports and reflection activities
- Guest speakers and careers encounters
- Charity fundraising and community events
- Cultural experiences and celebration events
- Rewards, recognition and character awards

These opportunities help our students develop important virtues such as resilience, respect, leadership, integrity, responsibility, confidence, teamwork and kindness. We are incredibly proud of the way our students embrace these experiences and demonstrate our core values of Aspiration, Respect and Community each day.

Badge Blitz Week

This week Badge Blitz Week is back!

Students who wear their academy-issued badges with pride may be selected by Miss Stirling to receive a range of exciting spot prizes throughout the week.

Thank you for your continued support in helping us develop young people who are not only successful learners, but also kind, resilient and responsible members of society.
