Dear Parent/Carer,

Year 10 GCSE Information Evening

With exams fast approaching for your child in January, I'm writing to invite you to our **GCSE Information Evening, 5 - 6pm on Monday 7th December**. This evening is to provide you with information, support and guidance on your child's GCSE years. We'll be providing you with a helpful overview of the GCSEs, what you can expect over the next 18 months as parents and how you can best support your child. We'll be providing practical strategies and tips on approaches to revision alongside a takeaway pack of revision materials.

Please give consent under the trips section of the Arbor app to confirm your attendance.

Note: this evening is designed for parents / carers though your child is more than welcome to attend. They will be having a separate assembly too that Monday morning which we will also be sharing with parents / carers after the evening too.

We look forward to seeing as many of you there that are able to attend.

Yours faithfully,

R Chantler

Mrs Chantler

Vice Principal
