Medical/Dietary Needs

We will use the information previously provided on the school's Arbor system in relation to medical conditions or dietary requirements so please check the Arbor app to ensure that these are up to date, along with any contact telephone numbers in case we should need to contact you during the trip.

Students requiring an inhaler or emergency rescue medication such as EpiPens should ensure that they bring their own medication and carry it with them at all times.

No other medication can be carried by students. If any medication is likely to be needed during the trip, this should be handed to the trip leader, in the original, named box with a completed medical consent form which can be collected from reception or Mr Farquhar should you need one.
