Dear Parent/Carer,

RE: Geography Castleton Residential Trip July 2026

We are very busy behind the scenes working with the team at YHA Losehill Hall making the preparations for our residential trip to Castleton in July. We are at the stage where we require some information from you regarding your child (any medical needs, allergies, dietary requirements etc) and well as some other bits needed for our planning.

We require all parents/carers to complete the information form for the trip. You can access it here:

[Geography residential 2026 - Medical, dietary, allergy information and photo consent – Fill in form](#)

See below this letter for an equipment list of items your child will need to bring on the trip if you would like to begin getting anything ready. If you have any questions on anything on the equipment list don't hesitate to reach out to us.

Just a reminder that any outstanding balance for the trip can be paid on Parent Pay in as many instalments as you would like with a final deadline for payments being in May.

The YHA will start to make their final arrangements with us after the Easter holiday with us and at that point we will be able to share lots more information with yourself and your child. We will arrange a Parents Information Evening to go through everything for the trip and answer any questions you may have. I will send the date out as soon as I have the information to share with you.

However, in the meantime if you do have any questions or concerns please do not hesitate to contact the Geography Department via enquiries@stockport-academy.org.

Yours sincerely,

D Ellor
