12 November 2024

Dear Parents/Carers and Students,

Thank you to everyone for all of your support so far in our first mock examination series in year 11. Our students have got off to a strong start and have demonstrated real determination and resilience so far. Attitude towards exams has been impressive with students clearly trying their best to Gain at Least A Grade across subjects.

As per previous correspondence we are encouraging all of our students to Gain at Least a Grade, all of our students have been made aware that in many cases students need to achieve very few marks to achieve the next grade. Students achieving an increase of 3 grades across subjects will be eligible to attend a free Academy year 11 breakfast, Students improving by 4 grades across subjects will be eligible to attend year 11 free pizza lunch and students increasing achievement by 5 grades or more across subjects will be invited to attend our Year 11 mock reward trip at the Trafford Centre Snowstorm.

In addition any student that has 100% attendance throughout the mock period will be eligible to attend Christmas Trip to the Trafford Centre on 28th November.

Students have access to resources including knowledge organisers for each subject available here: [Independent Study](#). Students are able to collect revision books at no cost from Mrs Duffy in addition to any stationery to support them in their revision. We also have available a number of online learning platforms including SENECA, Pearson revise and Sparx Maths and Science.

This week we have exams in the following subjects;

Tuesday 12th November – RS, Art and Business Studies

Wednesday 13th November – English Language and Geography

Thursday 14th November – Chemistry and Maths

Friday 15th November – Spanish and Computer Science

Thank you in anticipation of your support

Mrs J McCann

Principal: Mrs Janine McCann BA MEd NPQEL
