Dear Parent/Carer,

To help inspire our pupils to progress on to Higher Education, and learn about the range of options available to them after high school, we work with Greater Manchester Higher who fund a range of activities for our pupils, including:

- In-school workshops and presentations
- Mentoring projects
- University campus visits
- Subject taster sessions
- Residential and non-residential summer schools
- Attainment raising activities

As a government funded programme, GM Higher are required to collect the personal data of pupils. The collection of this data allows them to evaluate the programme by monitoring engagement in their activities and tracking the progression of pupils into Higher Education.

In order to support GM Higher with their evaluation requirements, we are obligated to share the data of our pupils in eligible year groups with them. This will be done after 5th October, therefore if students wish to opt out, they should do so by this date. You/your student can decline their data being shared by contacting the school before this date.

For a full explanation of GM Higher's GDPR compliance policy, please read their privacy notice: [GMH-Data-Collection-and-GDPR-Privacy-Notice-Combined-25-26-1.pdf](#)

This notice provides detailed information on the data GM Higher collects, how it is used, and the legal basis for collecting the data.

Further information about GM Higher and the activities they deliver can be found on their website at www.gmhigher.ac.uk

Parent Sessions

We know that young people will be faced with many important decisions about their education, so it's vital for parents and carers to understand the pathways available to them in order to support them in making the right decision.

We've gathered a range of information to help parents and carers explore the benefits of higher education and how they can help them to get there: [Parents & Carers | Greater Manchester Higher \(gmhigher.ac.uk\)](#)
If you have any questions, please do not hesitate to contact.

Kind regards,

Miss Stirling

Principal: Mrs Janine McCann BA Med NPQEL
