Dear Parents / Carers,

“Aspire” Initiative

I am writing to inform you of an exciting Key Stage 3 initiative impacting English, Mathematics and Science. We have created an 'Aspire' group for each of these subjects, by which students will receive an 'Aspire' badge to proudly wear on their lapel.

Students within this group are selected based on:

- Their production of work at the top end in this subject,
- Their work rate,
- Their independent learning outside of the lesson,
- Their exemplary attitude to learning.

Places in the Aspire group are flexible after assessments points throughout the year, so students are able to earn their way up to this group and likewise can be moved out if the above criteria are not being met.

We look forward to seeing this group within these three subjects flourish and thrive this academic year.

Yours faithfully,

R Chantler
