28th January 2026

Dear Parents and Carers,

Please find attached the examination timetable for the upcoming Year 11 Mock 2 assessments, which will begin on Monday 2nd March.

As we approach the final months before the summer GCSE examinations, we would like to take this opportunity to reiterate the importance of these mock exams. They provide students with essential practice, help identify strengths and areas for development, and allow teachers to tailor support more effectively. Students who prepare thoroughly and revise regularly over a sustained period of time consistently achieve the strongest outcomes.

We would also like to remind families that some revision methods are significantly more effective than others. Past examination papers and flashcards remain two of the most reliable techniques for building knowledge and improving retrieval skills. In contrast, simply copying notes out neatly or rewriting information in different colours is generally ineffective and does not lead to long-term learning.

We will also be running our “Gain at Least A Grade” (GALAG) strategy once again. This initiative rewards students for their progress between Mock 1 and Mock 2. Prizes will be awarded to those who show notable improvement, and students who achieve at least a one grade increase in five or more subjects (or maintain a grade 9) will receive a leavers’ hoodie as recognition of their hard work and commitment.

Thank you, as always, for your continued support. Working together, we can ensure our students are fully prepared and confident as they move towards their final GCSE examinations.

Yours sincerely,

Mrs J McCann
Principal

Graded “Good” across all areas – OFSTED 2025
