Add Guardian/Contact

This will take you to all your profile information. Scroll down to 'Family, Guardians & Contacts'
 Select 'Add Family Member, Guardian or Contact'
 Then fill in the contact information - please make sure you select 'Emergency Contact'
 Click Add Guardian Contact

This will then send to school, where we will approve the contact. This will then appear on your child's profile. This does not allow them access to an Arbor account.

Please note for GDPR reasons you will not be able to see the contact details of any parent, guardian or contact that is added to the account, other than their name.

If you have any questions or are struggling to add an additional emergency contact, please email:
enquiries2@stockport-academy.org
