Magic Breakfast Continues After Holidays

Dear Parents and Guardians,

We are pleased to confirm that our Magic Breakfast will continue after the Christmas holidays. Students are welcome to come to school from 8:00 AM through the back gate and head to the canteen, where they can enjoy a free breakfast.

Breakfast items include:

- Toast
- Bagels

We are also looking at expanding our selection of break items to various spreads for toast and cereals in the upcoming half term.

We encourage students to bring their own refillable water bottle. All students are invited to attend, as having breakfast in the morning can greatly improve concentration and punctuality.

Thank you for your support in promoting this initiative.

Mrs McNulty
Assistant Principal
