

9th September 2026

Dear Parents and Carers,

At Stockport Academy, we are proud of our strong community and the values that underpin our character education programme. An important part of this shared identity is the wearing of our official Academy badges.

We kindly ask for your support in ensuring that pupils wear only their Academy-issued badges as part of their uniform. While badges may seem like a small item, they play an important role in promoting a sense of belonging, pride, and unity across our school community. Wearing the official badges demonstrates that pupils are proud members of Stockport Academy and reinforces the high standards and positive culture that we work hard to develop together.

Our character education programme encourages pupils to demonstrate respect, responsibility, and pride in themselves and their community. By wearing their Academy badges correctly, pupils show that they are representing these values both within school and beyond.

To celebrate pupils who consistently meet these expectations, we run our popular Badge Blitz Weeks throughout the year. During these weeks, Miss Stirling visits classrooms and social spaces to spot pupils proudly wearing their Academy-issued badges. Pupils who are wearing their badges correctly are rewarded with prizes, recognition, and other rewards as a way of celebrating their commitment to our school values and their positive contribution to Academy life.

These rewards are not simply about uniform compliance; they are about recognising pupils who take pride in their identity as members of the Stockport Academy community and who demonstrate the character traits we want all young people to develop.

Thank you for your continued support in helping us maintain high standards and foster a culture of pride, achievement, and belonging for all pupils.

Yours faithfully,

Miss Stirling
Stockport Academy
