

8th September 2026

Dear Parents and Carers,

Work of the Week returns!

We are delighted to announce that our popular Work of the Week celebration is back!

Every Friday at lunchtime, pupils from across the school will have the opportunity to showcase their very best work. We are looking for pieces that truly stand out through:

- Beautiful presentation
- High-quality Blue Zone work
- Independent learning
- Exceptional effort and pride in achievement

Each week, children will be invited to share their amazing work and celebrate their success, pupils will have the chance to receive prizes and rewards, recognising the dedication, perseverance and hard work they have shown in their learning.

In addition, staff will be awarding one postcard in every lesson to a pupil who demonstrates excellent work habits, a positive attitude to learning and outstanding effort. These postcards recognise the pupils who consistently embody our expectations and values throughout the school day.

Pupils who manage to collect a postcard from every subject area can bring their completed set to the Work of the Week Summit Shop. These pupils will then be eligible to claim an even bigger prize in recognition of their exceptional commitment to learning across the curriculum.

This is a fantastic weekly opportunity to celebrate our pupils' aspirations, effort and incredible achievements. It also supports our commitment to Character Education and our school values:

- Aspiration – aiming high, working hard and striving to achieve their very best.
- Respect – taking pride in their work, demonstrating positive learning behaviours and valuing every opportunity to learn.
- Community – celebrating success together, encouraging one another and inspiring others through excellent examples of work and conduct.

We cannot wait to see the outstanding work our pupils produce and look forward to celebrating their successes every Friday.

Thank you for your continued support.

Kind regards,

Miss Stirling
